K R MANGALAM UNIVERSITY / GURUGRAM

K R Mangalam University

The finest learning rooms for universities | High-end specs | Built for institutions

Study pods with integrated lighting

Open collaborative floor

Upholstered study pod

K R Mangalam University wanted the finest collaborative learning rooms on its campus, spaces students would choose to work in. MyGenie delivered the full floor turnkey: acoustic study pods, glass-partitioned meeting rooms, lounge zones, cafe-height study counters and an open collaborative floor under a feature baffle ceiling. Every package was coordinated around the university's own HVAC, fire-alarm, PA and CCTV work.

Turnkey

ONE TEAM, WHOLE FLOOR

Pods, glass rooms, ceiling, flooring and furniture delivered by one accountable team, around the campus's own services.

High-end

HIGH-END SPECIFICATIONS

Upholstered study pods, arched black-framed glass, a feature baffle ceiling and carpet tile. Corporate-grade, on campus.

Exclusive

FOR SCHOOLS AND INSTITUTIONS

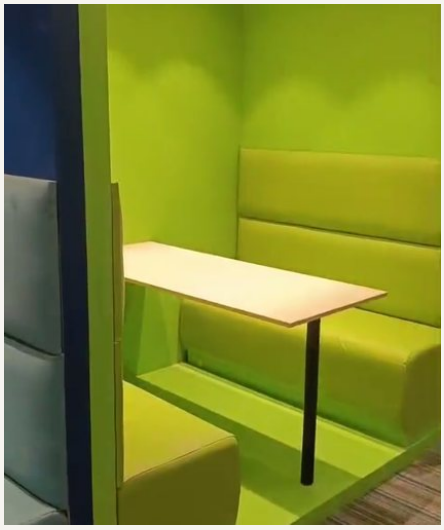

The finest rooms for universities, schools and institutions: durable, student-first spaces delivered between academic calendars.

THE SPECIFICATION

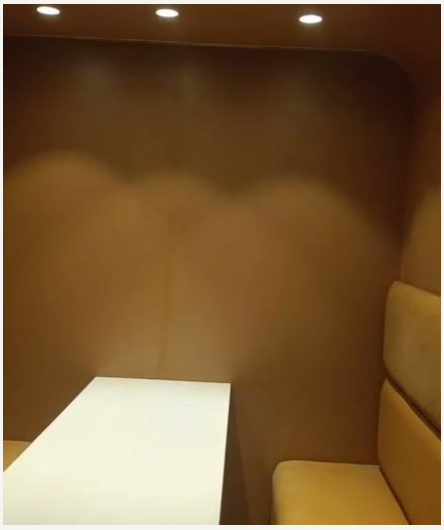

The finest rooms on campus

Blue study pod

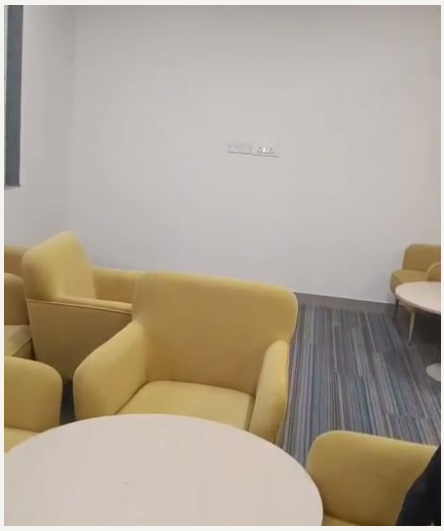

Green study pod

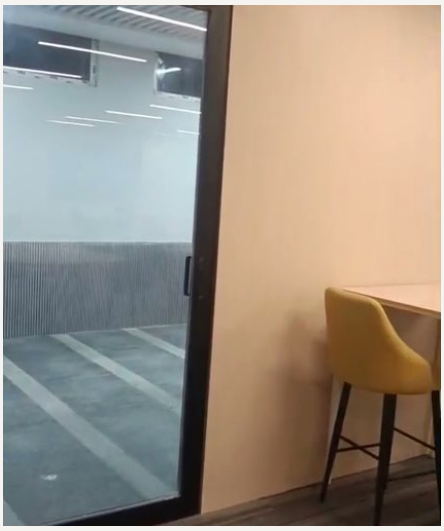

Tan study pod

Glass-partition corridor

Lounge zone

Cafe-height study counters

01 Study pods

High-back upholstered booths with curved shells, integrated LED downlights and colour-coded zones (yellow, blue, green, tan).

02 Glass and ceiling

Black-framed full-height glass partitions with arched door profiles, under a multi-colour linear baffle ceiling with continuous LED lighting.

03 Services, furniture, finishes

University HVAC, fire-alarm, PA and CCTV coordinated before ceiling closure; chairs, fabrics and carpet tracked as one programme.

MyGenie delivered: The finest learning rooms at K R Mangalam University: high-end study pods, glass rooms and a feature ceiling, built for an institution and handed over complete.
